Company Milestones 2015 - 2023

Company Milestones 2024

President, CEO Message

ITDaVinci is a very young company. We remain confident in our ability to produce software that will change the way IT managers construct their IT environments

During this past fiscal year, program development of our flagship program continued, a sales office in Brittany, France was opened and Shareholder equity increased by 50%

Our corporation is in good standing and we hope to improve on our financials and decrease our short term debt.
